

Brand Identity

Designed by Anastasiia Zibrova

ShadowForge is a conceptual branding project for a fictional game development studio.

The identity combines bold geometric forms, modern typography, and a dark color palette to create a memorable, scalable visual system inspired by dark fantasy games.

ICONS

A custom icon set designed for ShadowForge to maintain a consistent visual language across digital products and brand materials.

Each icon follows the same geometric principles as the logo, creating a cohesive identity that reflects precision, strength, and a modern gaming aesthetic.
