EDUCATION

My commitment to honing my craft has not been confined to the realms of theory alone. I have actively applied my skills in real-world projects, working on a variety of design initiatives. These experiences have equipped me with the practical insights necessary to navigate the dynamic landscape of web design.

SKILLS

Copywriting	<div><div style="width: 95%;"></div></div>
Editing	<div><div style="width: 95%;"></div></div>
Illustration	<div><div style="width: 95%;"></div></div>
Figma	<div><div style="width: 95%;"></div></div>

While I may not have a formal education in web design, my self-directed learning path has been nothing short of intensive. I've voraciously consumed online courses, tutorials, and relevant literature, continually expanding my knowledge base to stay abreast of the latest design trends and technologies.

WORK EXPERIENCE

2020-2021

Beard Project

I created the design for a project called 'Beard,' a full-fledged social network that not only meets but exceeds modern standards!

2021-2023

Freelance projects

Throughout my journey, I've continuously honed my skills in freelancing, tackling tasks of varying complexity. Some of these projects are showcased in my portfolio for you to explore.
