# Directing, script, camera, editing

**April-June 2015**

I did the *shooting* and *editing* for my course work *Packed sketches* – a comedy film-observation of *the Days of Europe in Kyiv* on a crowded city-center. Sports grounds, concerts, book crossing, Ukrainian flag made of Lego bricks, bikers with the *Mad Max: Fury Road* movie advertisement and lot of free eco bags. And no enemy slipped unnoticed – watch until the end!

# Acting

November 14, 2015

All Seasons  
on Netflix: <https://www.netflix.com/ua/title/80119382>

I was a promoter for the first season of the popular Ukrainian political series *Servant of the People* by *Kvartal 95* studio. The action took place on the so-called "day of silence" before the elections to the Parliament of Ukraine. My advertising tent was put up on *Kontraktova Square* in the old district of Kyiv - *Podil*.

**November 23-30, 2015**

I put my ideas and concepts into life in the media training "*Citizen Media for Intercultural and Political Dialogue*" creating a comedy clip about fictional global news, e.g. the Italian invasion of the Institute of Journalism in Kyiv, the interrupted meeting of a German and Ukrainian diplomats in a morning show format, and other incredible stories. I worked together with an international team of brilliant people like *Icaro Orengo* (Italy), *Rafael Anton* (Spain), *Yuri Yakoviuk*, journalists *Natalia Kasianenko*, *Olha Kononchuk* and *Tetiana Lytvynova* (Ukraine).
