

Cancel Culture

What is "Cancel Culture"?

- **Cancel culture** - this is when activists call for a boycott of specific people for saying or doing something they think is wrong.

Supporters of the
"cancel culture" believe that
a person's unwillingness to
change his views should be
punished.

What is the concept of "*Cancel Culture*" ?

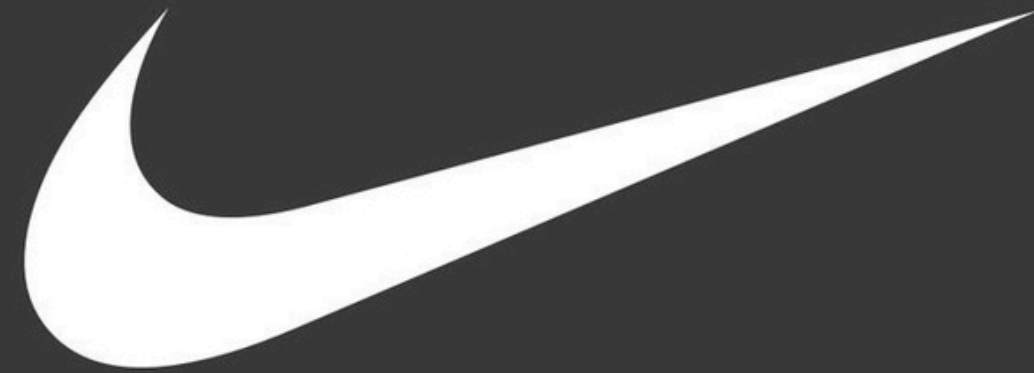

- Criticism of behavior in society;
- Boycott of activities;
- Attempts to take away the social platform and power.

Examples:

Nike - released shoes with the original US flag from the days when slavery was legal.

Examples:

Will Smith - at the Oscars, he "hit" the host for making a joke about his wife's alopecia.

Examples:

Lana Del Rey - accusations of anti-feminism and racism.

When people ask her about feminism, she says, "God, I'm not interested."

Examples:

Billy Eilish - because of the use of queerbaiting, the fans decided that the singer is feeding off of a fake coming-out to draw attention to herself.

queerbaiting - this is a method of using LGBTQ+ hints to increase popularity.
