

# By giving £15, you ensure that 20 orphans won't miss their summer camp

*YOU can provide talented orphans with a summer language camp in the UK a chance at a better education, and the future they never envisioned!*

*YOUR support will make all the difference in the impact our program can have. Feels like a mighty Lord - you can change the future of one certain kid! Really! Just think that small money £15 worth nothing to you but will make a child happy in the summer.*

*YOU can donate by clicking [here](#)! We are going to reach our goal at the very end of November! We can't do this without you!*

*Will you help with a small gift of £15 or more right now to help us reach £105000 raised in November before midnight?*

*Raising money to get an excellent education in the UK for talented orphans who live in CIS countries. There are a lot of children who need our help and a chance to get an education. We select those from Ukraine, Belarus, Moldova, Kazakhstan, Tadjikistan and Russia and give the opportunity to study in the best private schools in England for one carefully chosen kid.*
