REVUTSKY ACADEMIC MALE CHOIR (BOYAN ENSEMBLE of KIEV)

UNIQUE PROFESSIONAL MALE CHOIR FROM KYIV, UKRAINE

Why Revutsky Male Choir is really unique?

- There is only one professional Academic Male choir in Ukraine – Revutsky Academic Male Choir in Kyiv (Founded in 1969).

- Thanks to specially selected voices of professional singers the Choir has outstanding “male sound” with powerful bass party.
- The Choir has amazing dynamic range of sound - from the quietest piano to the powerful fortissimo.
- The Choir has a unique spectrum of repertoire, which consists of real pearls of Slavonic & Ukrainian spiritual music, Ukrainian folk music, classical European music, music of modern Ukrainian composers.
- Under the brand-name [THE BOYAN ENSEMBLE of KIEV](#) The Choir is well-known in the UK and other countries abroad.

Just a few quotes from the British Media:

- “... The concert was the most moving musical experience of my life... The 500-strong audience gave the Choir a five-minute standing ovation. “It was emotional dynamite“, - said Major Tyier, who said he had been moved to tears... The quality of the performance was outstanding. The soprano was superlative and the strength of the sound, particularly from the bass section of the Choir, was almost unbelievable.”
“Wilts And Gloucestershire Standard“, UK

“Their programme of sacred a cappella chants breathed mystery, incense and the flicker of candles. Audiences were caught up in the poignant drama of a religion that had fought its way through tyranny and oppression”... in the second half (Ukrainian folk songs) “There is swagger, bravado, heroism, nostalgia and a sense of the limitless Ukrainian horizons one recalls from Eisenstein films.”
“Westmorland Gazette“, UK

“The Boyan Men's Choir displayed perfectly balanced chords, impeccable tuning, pure melodic lines, precision of attack and beautifully shaded dynamic changes. A superb performance.”
“Yorhshire Post“, UK
