

## Wouldn't it be cool to know when your favorite product is on discount?- Easily!

We know how much people love promotions, especially if it's their favorite makeup products. Well, but how not to miss them?

We took care of it for you, go directly to the "*Company*" website right away, pick your favorites through the personal account, and we will let you know when it will be on discount. It's super-handy, isn't it?

*link/button to the website*

We allow adding unlimited positions to the favorite box because how can it be forbidden? - It's not about us :)

Get the info in our app and instantly make a profitable purchase — don't forget to turn on the notifications. And if you still don't know about our application, get it here:

*link for sending to google play/app store*

And so you don't miss anything for sure and stay in the know, subscribe to our newsletter, and we'll be in touch here:

*button for subscribing*

With warmth and care about you, your "*Company*" ♥
