In response to your inquiry dated 01.05.2023 the Motor (Transport) Insurance Bureau of Ukraine (hereinafter referred to as MTIBU) submitted a request to the Unified Centralized Database (CDB) of the MTIBU with regard to Mandatory Insurance of Civil Liability of Motor Vehicle Owners (MICLMVO), which is compiled according to data received from insurers - members of MTIBU.

According to the results of the request, we have received information about the domestic and international MICLMVO insurance contracts concluded during the period from [REDACTED] 2023 to provide insurance coverage for the [REDACTED] with the license plate [REDACTED]. You can find the search results in the Appendix. According to these insurance contracts, no claims of victims in road accidents were registered with the UCD of the MTIBU.

We would like to inform you that the CDB of the MTIBU was developed in 2010. Therefore, the database does not contain complete information on MICLMVO contracts concluded before 2010.

Appendix: Data from the CBD of the MTIBU as of 02.05.2023, 6 pages.

Acting Director General
