ASTRA BEAUTY

aesthetic cosmetology

ASTRA BEAUTY

— is a clinic of aesthetic cosmetology with its own brand of care cosmetics. The clinic employs only highly qualified cosmetologists and dermatologists with higher education who can accurately guarantee the best result and their expertise.

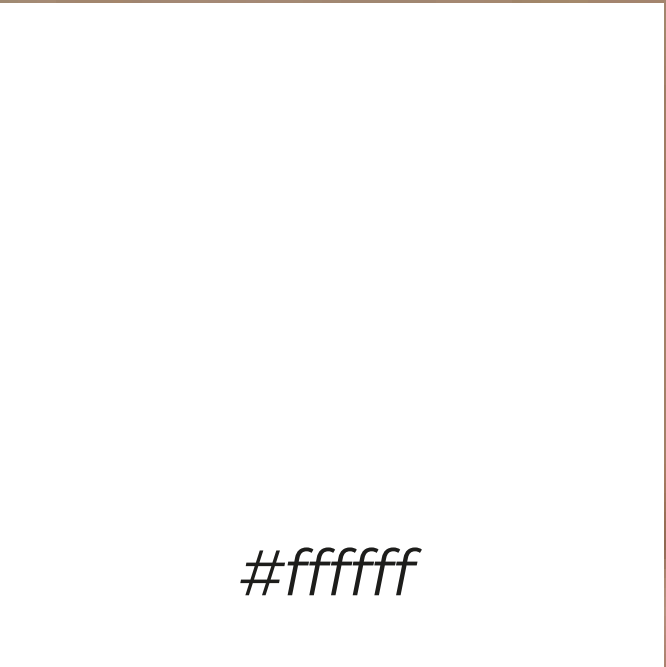

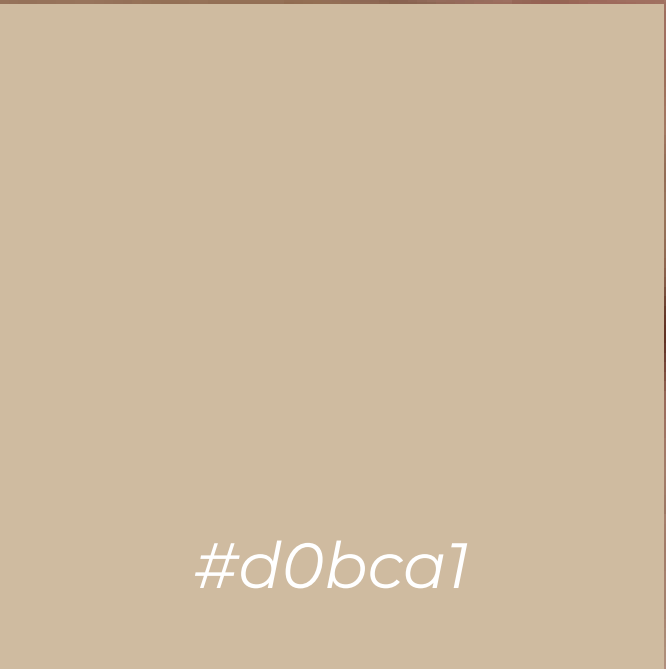

Astra beauty is about self-love, care, tenderness, grooming and femininity. With this principle, created and cosmetics from the brand. In the production of cosmetic products, only high-quality ingredients are involved, without the addition of silicones.

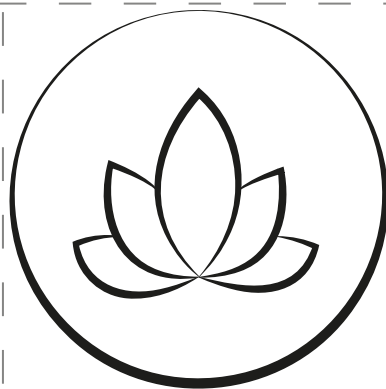

SELF-LOVE, *ELEGANCE*,
TENDERNESS, CONCERN

GRAPHIC DESIGNER — DARYNA

NICE TO MEET YOU! I AM DARYNA - GRAPHIC DESIGNER FROM UKRAINE. I SPECIALIZE IN CREATING LOGOS AND COMPLEX CORPORATE IDENTITY

I create a visual brand concept that will convey its character and mood, as well as be remembered by the target audience.

When creating a design, I rely on your description of the brand and its features.
