

SHOPPING MADE SAFE

Safe pandemic shopping app

A revolutionary new system to make
contactless purchases at any store.

PASKE MISSION

SHOPPING MADE SAFE

WHAT ARE PASKE APPS?

Paske buyer app

Paske operator
app

HOW IT WORKS

STEP 1

Scan bar codes of the products you wish to purchase and add them to your virtual cart

STEP 2

The operator collects your goods at the shop's warehouse and packs your order

STEP 3

Press "Ready" at the end of your shopping session and pick up your goods

THE ULTIMATE SAFETY

EASY SHOPPING

An operator is collecting all the products while you are adding them to your virtual basket – all you need to do is pay and pick them up.

NO CONTACT

- with products
- with shop windows
- with other customers
- with shop workers

STAY SAFE

Why choose Paske?

LISTS

You may save any list of and use it in the next shopping

FREE APP

*There are some paid features, but they don't affect the purchase process

FEEDBACK

You can leave feedback after shopping: both hidden or open

SAVINGS

With our app you don't have to buy a lot of sanitizers or disinfectants

HOW PASKE HELPS SHOPS

Advantages of PASKE system

1

Any store can be connected to our system in two minutes.

2

We do not interfere with your business processes.

3

We can provide valuable data on your buyers' behavior.

Advantages of PASKE system

4

Any market niche shop owner can use our system

5

Our app will allow the store to show its care about protecting its customers from COVID-19

6

We notify about promotions, special offers and remind customers of periodic purchases

With PASKE

you care for the health of your clients and employees

you fight against the epidemic in a global way

your organization is preserved as there is no need to introduce restrictive measures
