We are an initiative (duo) of professionals in the field of Photo / Video / Editing / Lights / Music / Direction and Choreography / Content in social media.

We specialize in film production and video editing, and even music engineering. Our services include modern concepts, various filming techniques, advanced video editing, live broadcasts, promotional videos and drone footage. We also offer voice-over services and film subtitles. Our team uses high-quality equipment and innovative technology to meet customer needs.

The company deals with the preparation of scenography, lighting and video equipment. We shoot films and provide directing knowledge.

The duo under the Galactic-Stars banner offers a wide range of film editing services.

We also have 8 years of experience in comprehensive creation and programming of gambling video games as part of permanent cooperation with the Austrian corporation Novomatic:
