

This is to certify that  
Oleksandra Zhyhadlo  
attended the  
Kingston Language Scheme  
English Level 4  
C1 Advanced  
For Teaching Block 1, 2019/2020

This course is designed for Advanced students with a CEFR level up of C1 and above and students who want to build their confidence in English. The module consolidates existing linguistic skills and further develops them in speaking, reading, listening and writing. Through studying the module, students increase their vocabulary and ability to use more complex structures, become more aware of register and also increase their awareness of aspects of English speaking cultures. The module also allows students to gain confidence and ability in oral and written communication which enhances key transferable and employability skills. The course is designed to be completed over two terms, however, Students can complete the half of the module for one term.
