

A dark, atmospheric illustration of a Halloween scene. In the upper left, a bat with large, dark wings is in flight. Below it, a small, rustic wooden cabin with a thatched roof sits on a wooden platform. The cabin has a few glowing windows. In the foreground, a wooden walkway leads towards the cabin. To the right, a large, gnarled tree trunk is visible. The background is filled with dark, leafy trees. The overall color palette is dark with some warm orange and yellow highlights from the cabin and the text.
