# SOME WORKS:

AirPods Max combine high-fidelity audio with industry-leading Active Noise Cancellation to deliver an unparalleled listening experience. Each part of their custom-built driver works to produce sound with ultra-low distortion across the audible range.

rose gold

App Store

AirPods Max

This advertisement features a light beige background. In the top right corner, there is a small 'App Store' logo. The main text is positioned in the upper left. A pair of rose gold AirPods Max headphones is shown in the center, with a line pointing from the text 'rose gold' to the ear cup. The headphones are shown from a three-quarter perspective, highlighting the headband and the large ear cups.

Audio Technology

AirPods Max combine high-fidelity audio with industry-leading Active Noise Cancellation to deliver an unparalleled listening experience. Each part of their custom-built driver works to produce sound with ultra-low distortion across the audible range.

App Store

This advertisement features a light green background. At the top, the words 'AirPods Max' are repeated three times in a large, white, outlined font. In the center, a pair of white AirPods Max headphones is shown from a three-quarter perspective. Three labels with lines pointing to the headphones are present: 'Microphones' points to the top of the ear cups, 'Sensors' points to the bottom of the ear cups, and 'Audio Technology' points to the side of the ear cups. The main text is located in the bottom right corner. A small 'App Store' logo is in the bottom left corner.
