Hi, Beautiful

My Name is Svitlana Bilyavska, I'm originally from Ukraine, but currently reside in Canada Alberta. I have been in beauty industry over 5 years. Most of you may know me from wedding scenery; however, I had a pleasure to branch out my skills and gain more expertise in various environments. I've travelled internationally and worked with fitness celebrities, my work was published in numerous magazines including Rocky Mountain Bridal. I also had a pleasure working on movie/music video sets.

I've learnt that the most alluring thing a woman can do is to have confidence. My passion always has been to enhance everyone's natural beauty and make sure every makeup and beauty treatment compliments each and one of your features beautifully. Here at Bilana Beauty, I make sure that you walk out looking great and feeling confident as ever.
