About Me

Motivated and passionate junior web developer with a strong foundational knowledge in front-end and back-end technologies. From an early age, I have been fascinated by programming. Currently studying at the Financial-Economic College. Ready to work intensively to gain valuable real-world experience in IT and web development.

Skills

- Frontend: HTML, CSS, JavaScript, jQuery
- React Ecosystem: React, React-Redux, Redux Toolkit, React-Thunk
- Backend: PHP, MySQL
- Languages: Armenian (Native), English (Fluent), Russian (Fluent)

Education

Financial-Economic College

Field: Finance and Economics

Status: Current Student

Personal Project

Yuri Arzumanyan

Website: yuri-arz-sv.github.io

A personal portfolio project showcasing web development skills, designed with a focus on clean UI and responsiveness.

Objective

Eager to start my professional journey in web development. I am ready for an intensive workload and continuous learning to grow into a high-level developer.
