## TOUR PROGRAM

### 1 DAY

- Meeting at the airport of Batumi
- Transfer to the hotel and accommodation
- Free time

### 2 DAY

- Breakfast at the hotel
- Excursion around Batumi + Botanical Garden. On this day, guests will get acquainted with the most significant sights of the capital of Adjara. Excursion to Batumi Botanical Garden is one of the largest and most interesting gardens in Europe. The conditions of the Mediterranean climate of Adjara allow the good growth of many relic and amazing plants from around the world. So, here you can find eucalyptus, sequoia, various plane trees, Crimean pine, magnolias, sakura, all kinds of vegetation of the South and North America, Asia and even Australia.
- Free time

### 3 DAY

- Breakfast at the hotel
- Historical and adventure excursion to Machahela. An amazing excursion to the Machahel Gorge will give you an unforgettable experience. The reserve of Machahela is located on the border with Turkey and is a monument of the history of Georgia. Primordial nature, a mountain river with suspension bridges, a waterfall, charming slopes and a road that goes into the sky. And also you are expected: a museum, telling about the ancient culture and way of life, fortresses and ancient weapons. Photoshoot in national Georgian costumes, picnic in the bosom of nature, hospitality of local residents will be a perfect addition to this excursion.
- Strategic fortress Gwara 6-7 century
- Monument to the unique Machachal rifles
- The arched bridge of Queen Tamara in Tsemilari
- Waterfall
- Ethnographic museum in the building of the former mosque
- Acquaintance with the life of mountain Adzharians. Tasting of wine and honey
- Lunch – national Adjarian dishes from local residents
- Return to Batumi
