

BEST Pet Strollers Guide 2018

Probably, most of the pet owners considered buying a fancy dog stroller at least once in their life.

There are a number of reasons why [buying a dog stroller](#) is a perfect idea both for you and your dog.

Reasons to get a Dog Stroller

- If you wanna buy any [pet carriers and crates](#) it will be much easier for you with a dog stroller to take the pet anywhere you want: a cafe, a restaurant, a park or the countryside. Also, it's quite comfortable for the situations when you're going to the vet or to a music festival.
- For the outdoor events, the stroller keeps your puppy warm and dry in case of cold weather or rain. Moreover, it will save your dog from the fight or attack of angry animals in the parks or kids that are eager to touch your pet.
- There are some puppies when your dog gets tired of running along with you. In this case, you can bring a dog stroller and ride your pup when they are tired of the active exercises.
- Also, if you do so, you won't have to leave your animal alone at home, but take it with you for jogging too.
- Sure, the pets have somewhat different schedule than humans, so if your dog falls asleep in the middle of the day, it's quite okay. But what should you do if it happens unexpectedly? Take a stroller with you! This way the pup will always have a cozy place to take a nap, and you won't have to wake it up when you need to leave the place. Both are happy!

Take a look at the dog strollers described below and find the perfect one for your pet!

Strollers for small dogs

[Pet Gear Happy Trails No Zip Stroller](#)

It's the best option for an average-product. This stroller is made for the pets that weigh less than 40 pounds, so you can fit in it little puppies or just a little adult dog. For you to easy unfold it, this item doesn't have a zip canopy.

However, this stroller is good only for sidewalks and paved roads. For the other occasions, look for the product with better wheels. Also, this Pet Gear Happy Trails has great visibility for your pup.

[Vivo 3 Wheel Pet Stroller\(Green\)](#)

It is the best one for people who are interested in low-cost items. Though it's made only for the smallest puppies (30 pounds), it has very sustainable construction and high-quality. Also, you can choose between the variety of color: pink, polka-dot and some more.

Also, one of its pros is that it features a number of cool additional accessories: cup holder, a compartment for keys or a phone, and a large storage basket. It's very

convenient to take with you as it folds easily into any vehicle and has storage for your stuff.

[Pet Gear No Zip NV Pet Stroller](#)

For those, you don't mind high prices and looking only for a high-quality product, this Pet Gear No Zip NV dog stroller is just the best opportunity. This one can fit an average dog of less than 70 pounds or two little pups.

This one also comes with a great visibility for your pet and no-zip feature to gain a fast access to the dog. Moreover, the model is equipped with padded paw bar and a padded seat inside to make your pet feel comfortable. Also, this one is good for rough terrain and for jogging as it has sustainable wheels.

Large dog strollers

[Pet Gear No-Zip Stroller – Large and Extra Large](#)

Got a Rottweilers, Husky or German Shepherds? Not a problem for Pet Gear No-Zip Stroller as it's made not for little pups, but for adult big breeds. And we talk about as big as 150 pounds! That's mean you can fit in this stroller two average dogs or an enormous one.

In addition, it has the back door, up and front view and side windows! The interior is quite huge, so your pet won't have to stand all the time, but can lie comfortably and enjoy the ride with their loved owner.

[DoggyRide Novel Dog Stroller](#)

For runners and the fans of active rest, there is an option of a very mobile and lightweight dog vehicle – DoggyRide Novel. As it's made of a special kind of aluminum, it's really easy to operate while you're running or riding a bicycle.

This dog stroller is not as big as the previous model as it holds up to only 110 pounds, but it still has a large and convenient interior and several windows to let your dog see everything around it and breathe fresh air.

Double dog strollers

[Pet Gear No Zip Double Dog Stroller](#)

You think that's it? No! There is one more option for the owners of two and more dogs. It's quite the same as the other pet strollers mentioned above, but this model has a main compartment inside that is extra long and extra wide, so there is enough room for two doggies to lie and rest.

The best feature of Pet Gear No Zip Double Dog Stroller is that it has really good tires that allow you to take your dog basically anywhere – grass, stones, paved roads and other “tough” surfaces.

[All Terrain Extra Wide 3 Wheels Stroller](#)

Didn't find the color of a dog stroller you might like? Don't worry! This All Terrain Extra Wide 3 Wheels stroller comes in five colors, including leopard print, but only for those, who is into fashion and want their doggie to look stylish.

Moreover, this model has an extra basket underneath the stroller, where you can place your pet's accessories, keys, water, bag and snacks for you and your dogs.

Dog jogging strollers

[Best Choice Products 2 in 1 Pet Dog Bike Trailer Stroller Jogger](#)

If you like jogging or hiking, then take a look at Booyah Large Pet Bike Trailer Dog Stroller and Jogger with Shocks that is made for the outdoor activities. It's also good for the doggie that weigh less than 88 pounds, so large and medium pets will fit perfectly.

It comes with a rear wheel towing hookup, so this dog stroller can be easily attached to the bike.

[Pet Gear No Zip Jogger Pet Stroller](#)

The low-cost version of the previous model is 2 in 1 Pet Dog Bike Trailer Stroller Jogger. It will provide you with almost the same function, but for the lower price. Moreover, it has an orange safety flag and sturdy 3-wheel design to cope with any kind of a route.

It fits 66 pounds so it's good for a medium dog or two small dogs than for a large dog.
