RTP & Volatility level

Good RTP and volatility level parameters describe this slot. It is imperative that players take these into account. Are you curious about RTP? It is the portion of all wagers that the slot machine will eventually pay you back. The RTP for this slot machine may differ, however it often falls between 95% and 96.5%. This RTP is better suited to balance the prizes and draw in a large viewership.

The Sun of Egypt 4 game's makers have chosen a high level of volatility. The level of risk is represented by the volatility level, which is the indicator that determines the quantity and quality of wins—that is, how frequently and how much money is won. High-volatility games like Sun of Egypt 4 online are better suited if you're more drawn to the prospect of large victories, even if they come with a lot of risk.

Symbols

A, K, Q, J	The most common and cheapest ones that are in every slot. Beautifully detailed but low-paying. For 5 in a row you get 5x, 4 - 1x, 3 - 0.5x. But
------------	---

	remember, even through something like this, you can increase your budget.
Gods, pharaohs, artifacts	Special, themed for Sun of Egypt 4 game. Also already have a pretty good payout. Golden gods, ancient pharaohs and priceless artifacts will not only bring pleasure for the eyes, but also for your pocket. 3 - 1x, 4 - 2.5x, 5 - 20x.
A Gold Cleopatra	The main one, the prettiest and the most expensive, despite the bonus ones. Her eyes mesmerize you and look straight into your soul! Will you be able to find out all her secrets? 3 - 2x, 4 - 5x, 5 - 20x. Just be careful, don't fall for her tricks and win her!
Wild	A unique pharaoh that will only bring you huge money. Pays out like Cleopatra, is the benchmark in the Sun of Egypt 4 game, an ancient yet powerful idol 3 - 2x, 4 - 5x, 5 - 20x. Appears on any reel, substitutes for all symbols except Scatter and Bonus symbols
Scatter	The scatter symbol is one of the most important symbols in the Sun of Egypt 4: Hold and Win slot machine. Falls only on reels 2, 3, and 4. When three of these symbols are gathered, the Free Spins Feature starts. However, we have covered it in more detail below.
Bonus	Very unique, falls anywhere. Payable only during the Bright Sun bonus game, for which you can get a lot of nice bonuses. Be careful that it does not blind your eyes!
Mystery	Has the potential to fall on every reel as well. Mystical but also very useful! Try your luck, but keep in mind that the Bonus game is the only time it displays its specialty. More specifically it becomes any jackpot, open in turn.

	Below you can learn more about the jackpot system.

Features

Boost	The Boost symbol along with any Bonus triggers a unique mode. There all symbols are summed up at the end and added to the winnings. If the mode was activated with multipliers x2, x3, x5, all values are multiplied by them.
Free Spins	Special function. To obtain it, you must land three or more scatter symbols. After that, you will have eight bonus spins with a higher chance of winning jackpots and bonuses. You will also receive 8 additional spins for each of the next 3 Scatter symbols.
Bonus Game	A unique mode is triggered when six or more Bonus symbols appear, making all weak symbols vanish. Remaining symbols on the reel are Bonus, Boost, and Mystery alone. An ideal opportunity to win the lottery!
Super Bonus Game	A combination of 5 Bonus and Super Bonus activates the Super Bonus Game. A very generous mode that gives your wallet even more money. Be sure to beat it and multiply your riches!
Jackpots	Provides three distinct jackpot kinds: Major, the biggest, multiplies your wager by 150. A small or medium jackpot will multiply your wager by fifty. Mini: A jackpot multiplied by 15 times. Moreover, a fourth version of the game called Grand Jackpot exists, in which players can multiply their wager by five thousand to win the maximum payout by landing Jackpot symbols on all twenty reels.

Demo version

Long wanted to try your luck at winning real money? Great news, because Sun of Egypt 4: Hold and Win slot has a demo version of the slot. It's still the same slot, with the same exciting symbols, unique features and unreal bonuses. Only one difference, it's all free and comes at the expense of the casino provider. You are given a huge amount of money on your account, a bunch of free spins, and you don't have to pay for all of it. It's a great chance to come up with your own strategy or familiarize yourself with all the possibilities in the game.

I can confidently say that the slot will pull you in even with the demo version. You'll swiftly switch to the actual game for real money since you won't want to win fictitious money! So do not hesitate and experience your excitement in the mad pursuit of treasure.

Bonuses

Cash-back incentives

A weekly payback offer for Australian players worth up to 15%, depending on the player's gaming activity. We provide cashback deals based on percentages and points.

It is recommended that players review the wagering restrictions prior to using any kind of bonus. The player must fulfill all requirements in order to be eligible to withdraw the money at a later time.

Sounds

Sound is one of the most important components for establishing the mood. As a result, it is evident that the music received careful consideration from the developers. The soothing soundtrack that plays as soon as you launch the Sun of Egypt 4 game will motivate you right away because it combines bluegrass and country influences. You can't help but feel like an ancient Egyptian when the harmonica and flute strings come together flawlessly. You can also experience the total freedom and exhilaration of adventure because of this song. You'll feel transported and find yourself gasping for air as the music of falling sequences and spinning percussion builds.

Max win

You can play the Sun of Egypt 4 slot machine and raise your chances of striking it. Activating the most valued symbols in the slot machine, like gods or pharaohs, along with uncommon extra features and free spins, will yield the highest possible wins. And because of multipliers, extra features, and valued symbols, they can go up to noteworthy sums. The special Bonus mechanisms allow for a substantial rise in the amount of winning lines, which increases your chances of striking it rich. That is to say, veterans and big stakes rollers typically receive a significantly larger end range. The maximum exposure, in any event, is 10,000 times the investment.

Conclude

Finally, I would like to state that the fourth part of the slot Sun of Egypt online slot was a hit among players. And you can see why, by tweaking and improving the past parts of it clearly appealed to both beginners and experienced players. Players will be happy to spin the reels with generous bonuses in a cozy atmosphere created by pixel graphics and a soothing soundtrack. Bonus rounds, free spins and more will await and lure players

from all over the world. Sun of Egypt 4 slot also has a pretty good RTP and Volatility which in turn help the player to catch the excitement and huge monetary rewards.
