

Poetry Sample – Tolibaeva Xulkar

(Original poem in English)

♦ Title: Between the Lines

I speak in silence, write in air,

My thoughts are winds — they're everywhere.

You see a smile, I hide a storm,

But in my words, I take true form.

Don't look at me — just read the signs,

The truth lives deep between the lines.

♦ Комментарии:

- Минималистичная поэтическая форма.
- Темы: скрытые чувства, самовыражение через слова.
- Подходит для демонстрации литературных навыков и эмоционального стиля.
