

beauty,
tenderness,
sensitivity,
lightness.

*Nothing makes a woman more
beautiful than the belief that she is
beautiful.*

Tenderness

Unbelievable

Use a dark shade of shadows for the contour of the eyes, a medium tone for applying to the entire eyelid, select individual areas with a light shade. Take a small amount of blush on a brush and apply in circular motions.

Who is the owner of make up?

In May 2020, another major shareholder joined: Horizon Capital bought a stake in MakeUp, leaving the terms of the deal a secret. As AIN. UA managed to find out then, Horizon Capital received 18% in the company, and the amount of the transaction was \$8 million, and the estimate was about \$43.5 million.

Apply the highlighter on the cheekbones, the bridge of the nose, under the eyebrows with a brush. For a brighter glow effect, apply the highlighter over the makeup base or foundation. Apply bronzers with a large fluffy brush in the form of the number «3»: from the side of the forehead along the hairline..

Lipstick with a special gel formula provides rich, saturated color and stays on the lips for a long time. Doesn't look or feel dry. The microspheres in the formula keep the color on the lips as long as possible. The soft gel texture provides a thin coverage and creates the effect of plump lips, giving them elasticity and a feeling of softness.

To achieve the best result, start applying from the roots of the eyelashes, rocking the applicator brush and moving it upwards along the eyelashes. If necessary, apply a second or third layer.

Are you going to an important event where you will have to pose for the cameras? So, you absolutely need to make your skin extremely beautiful, fresh and radiant. The excellent HD Liquid Coverage Foundation from the famous German brand Catrice will help you cope with this task instantly.

Stimulates the restoration of each barrier to maintain an optimal level of hydration. Creates a film on the surface of the skin that gradually releases moisturizing components. Restores intercellular cement for long-term hydration.

Nourishing moisturizing cream with a pleasant aroma and rich melting texture nourishes the most dehydrated skin and provides instant comfort. Makes the skin radiant.

Doliva moisturizing cream with hyaluronic acid is suitable for normal and combination skin types. The product intensively moisturizes and maintains the water balance of the skin, smoothes it. Olive oil tones the skin, makes it more elastic.

Shea butter and urea contribute to deeper moisturizing and active regeneration, which makes the skin soft and smooth.

Tenderness

*Nothing makes a woman more
beautiful than the belief that she is
beautiful.*

*They say that true love is difficult
to describe and explain in words.
But poets, thinkers and great people
have always sought to get closer to
that winged feeling that each of us
wants to feel in our lives.*
