Hi im Yana Gluza

and this is my portfolio

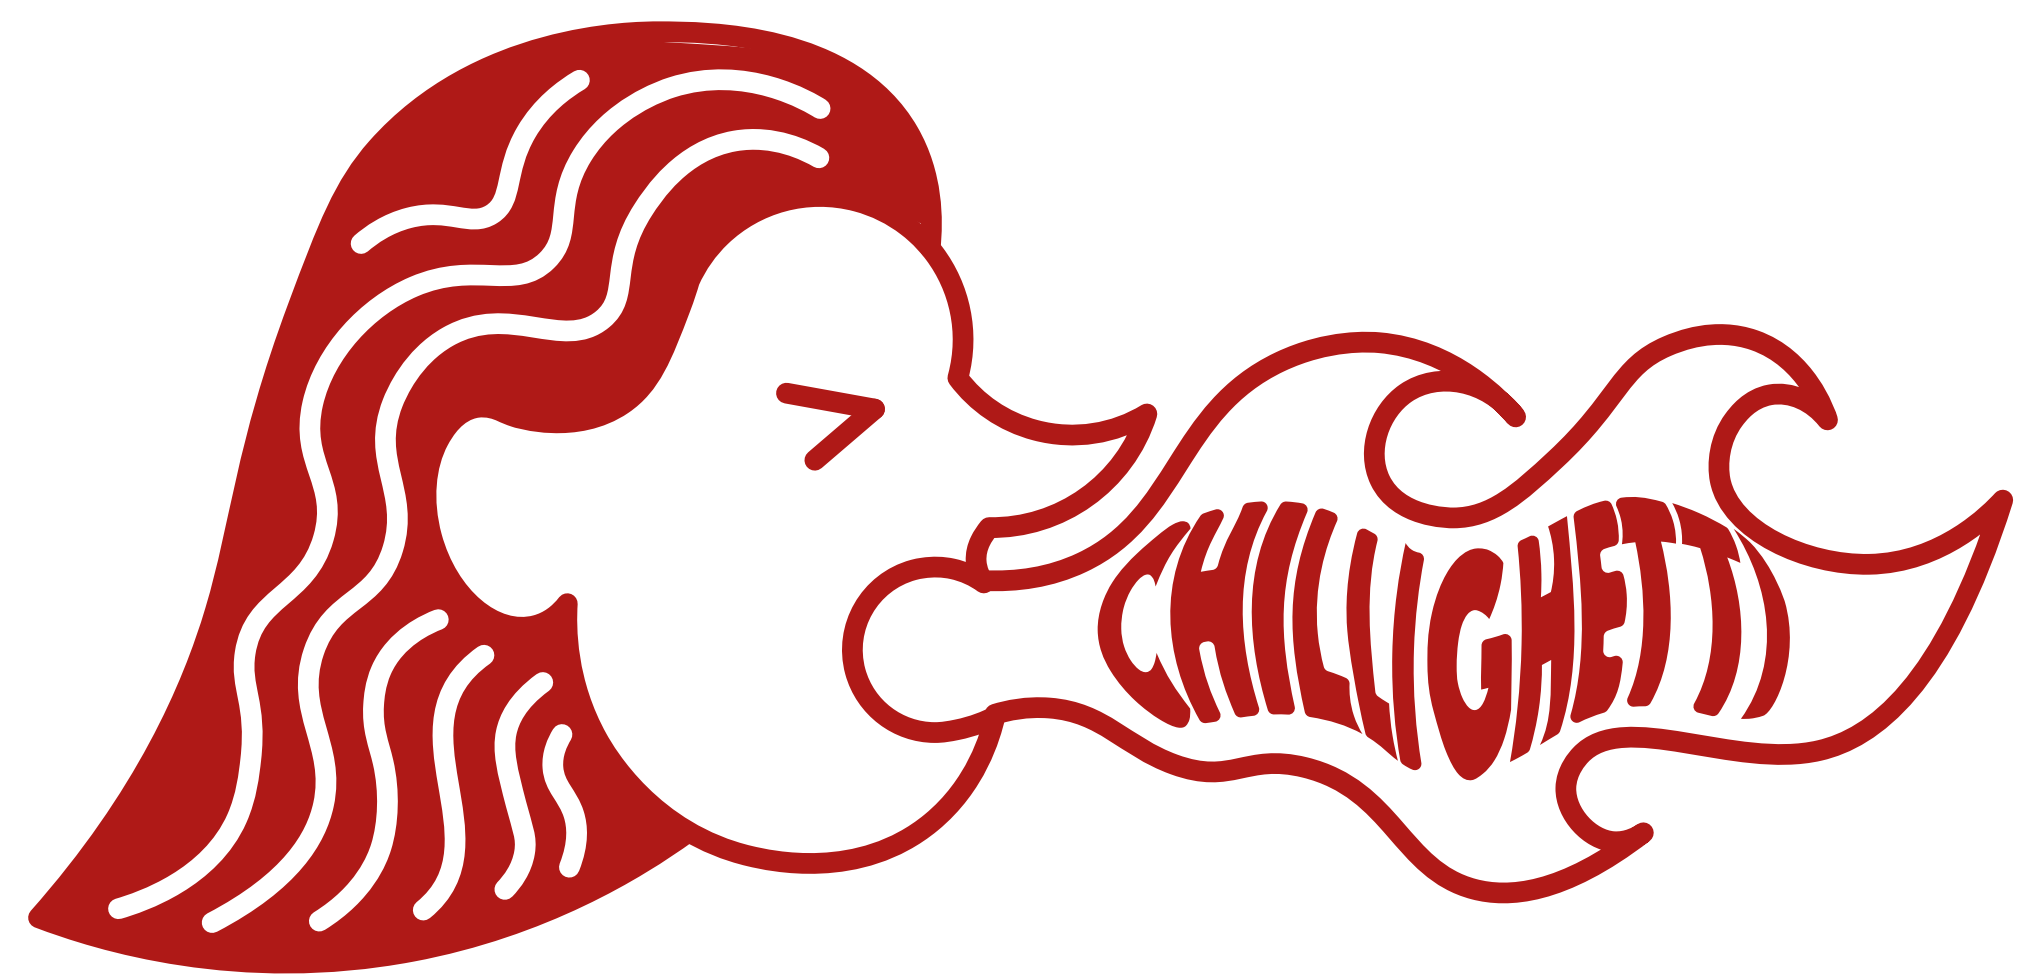

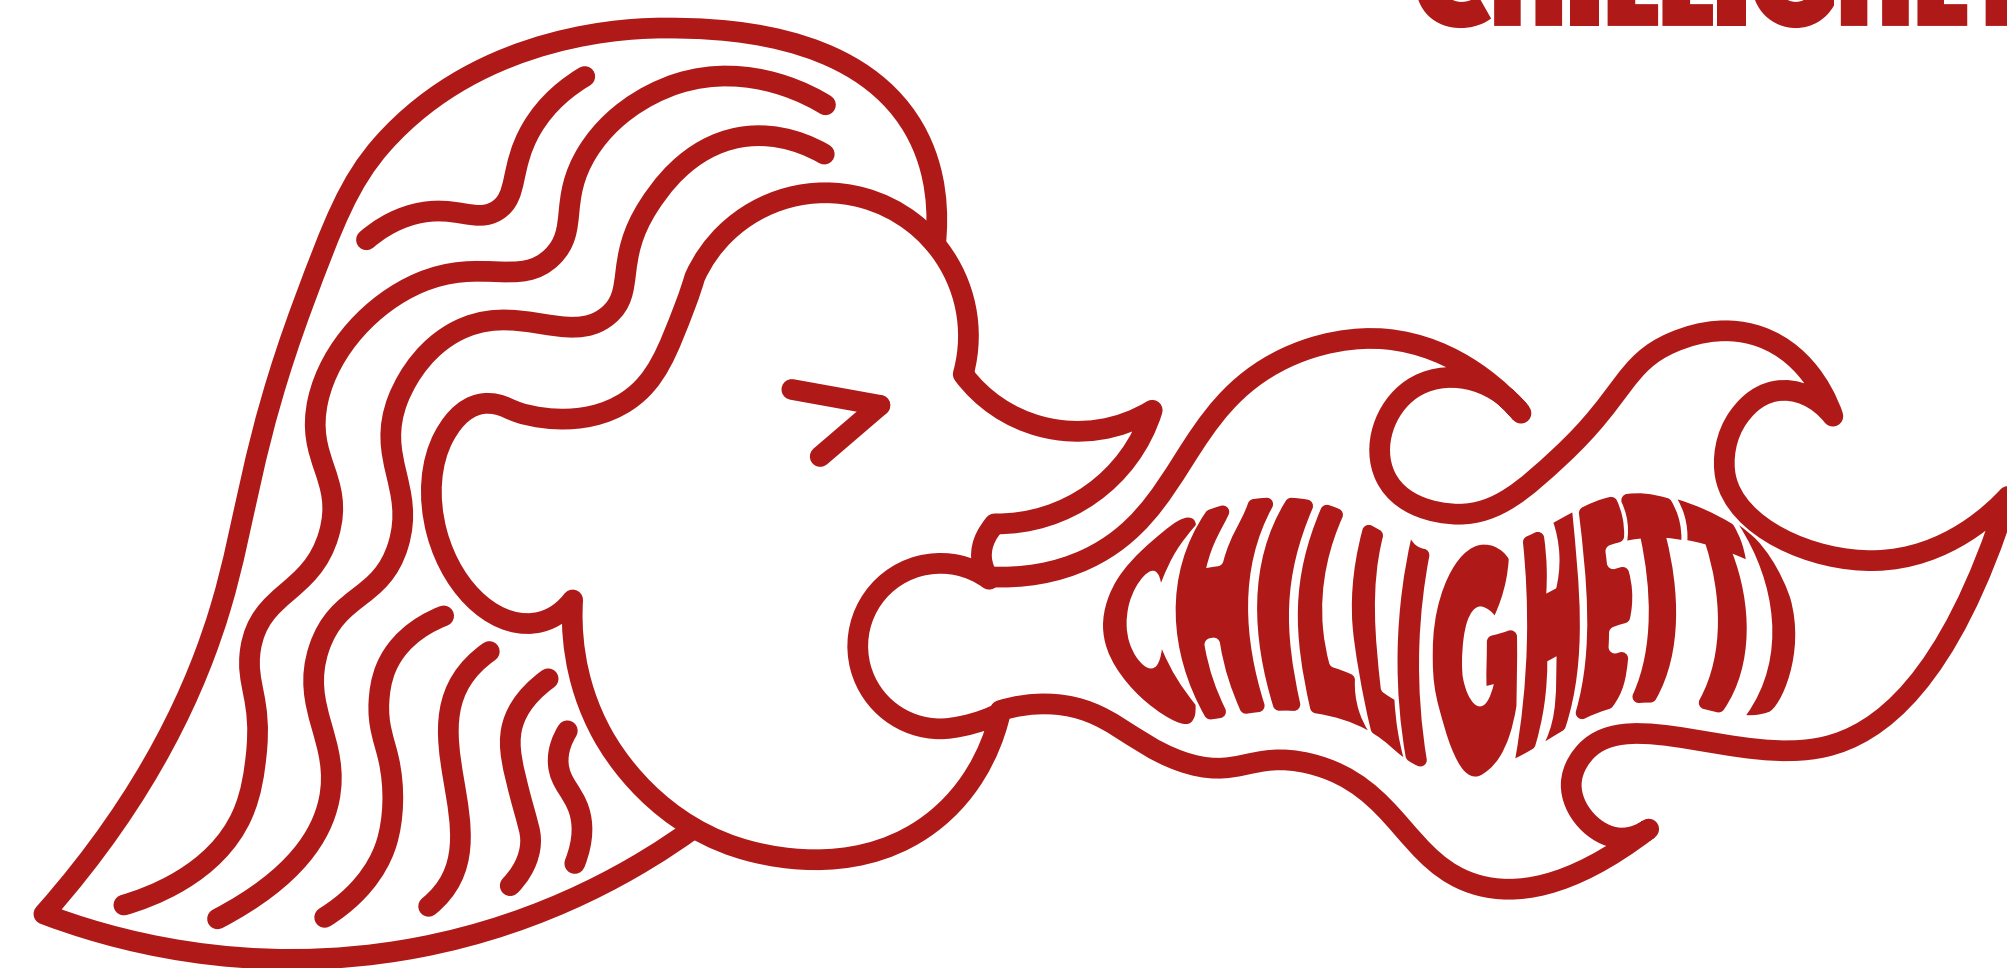

A project to create 12 minimalist pictograms.
These concise icons can decorate packaging for a brand

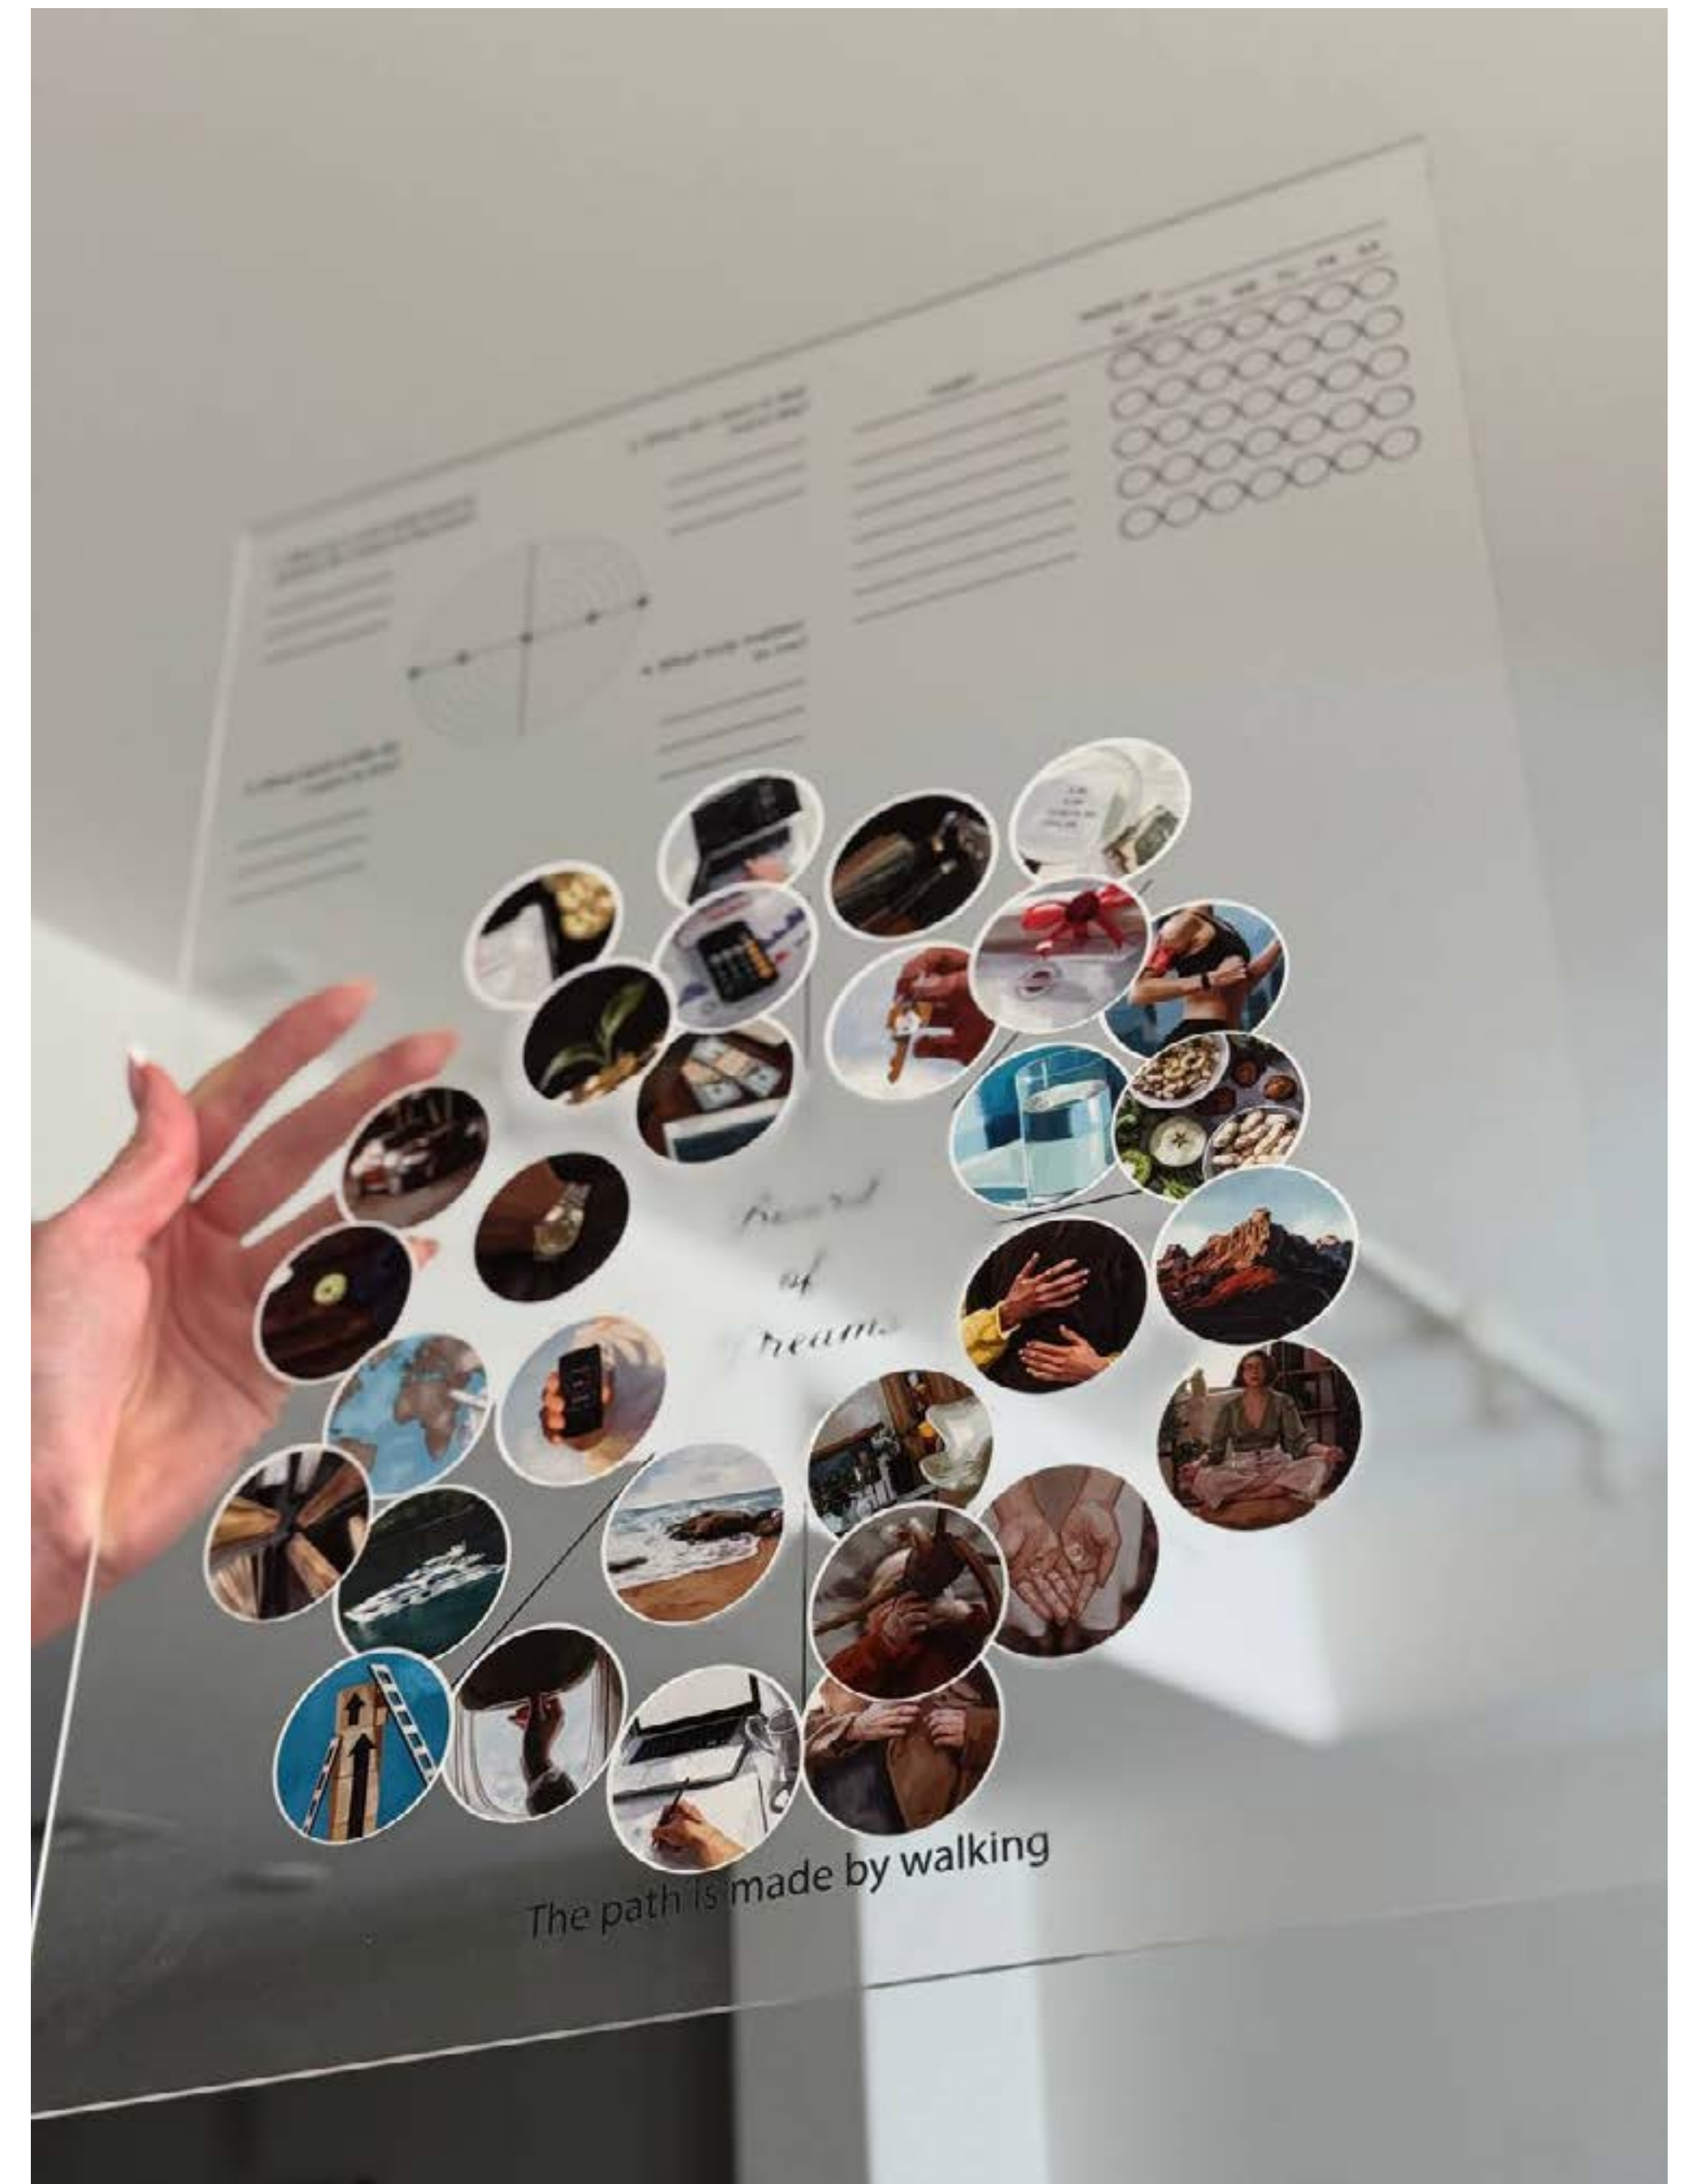

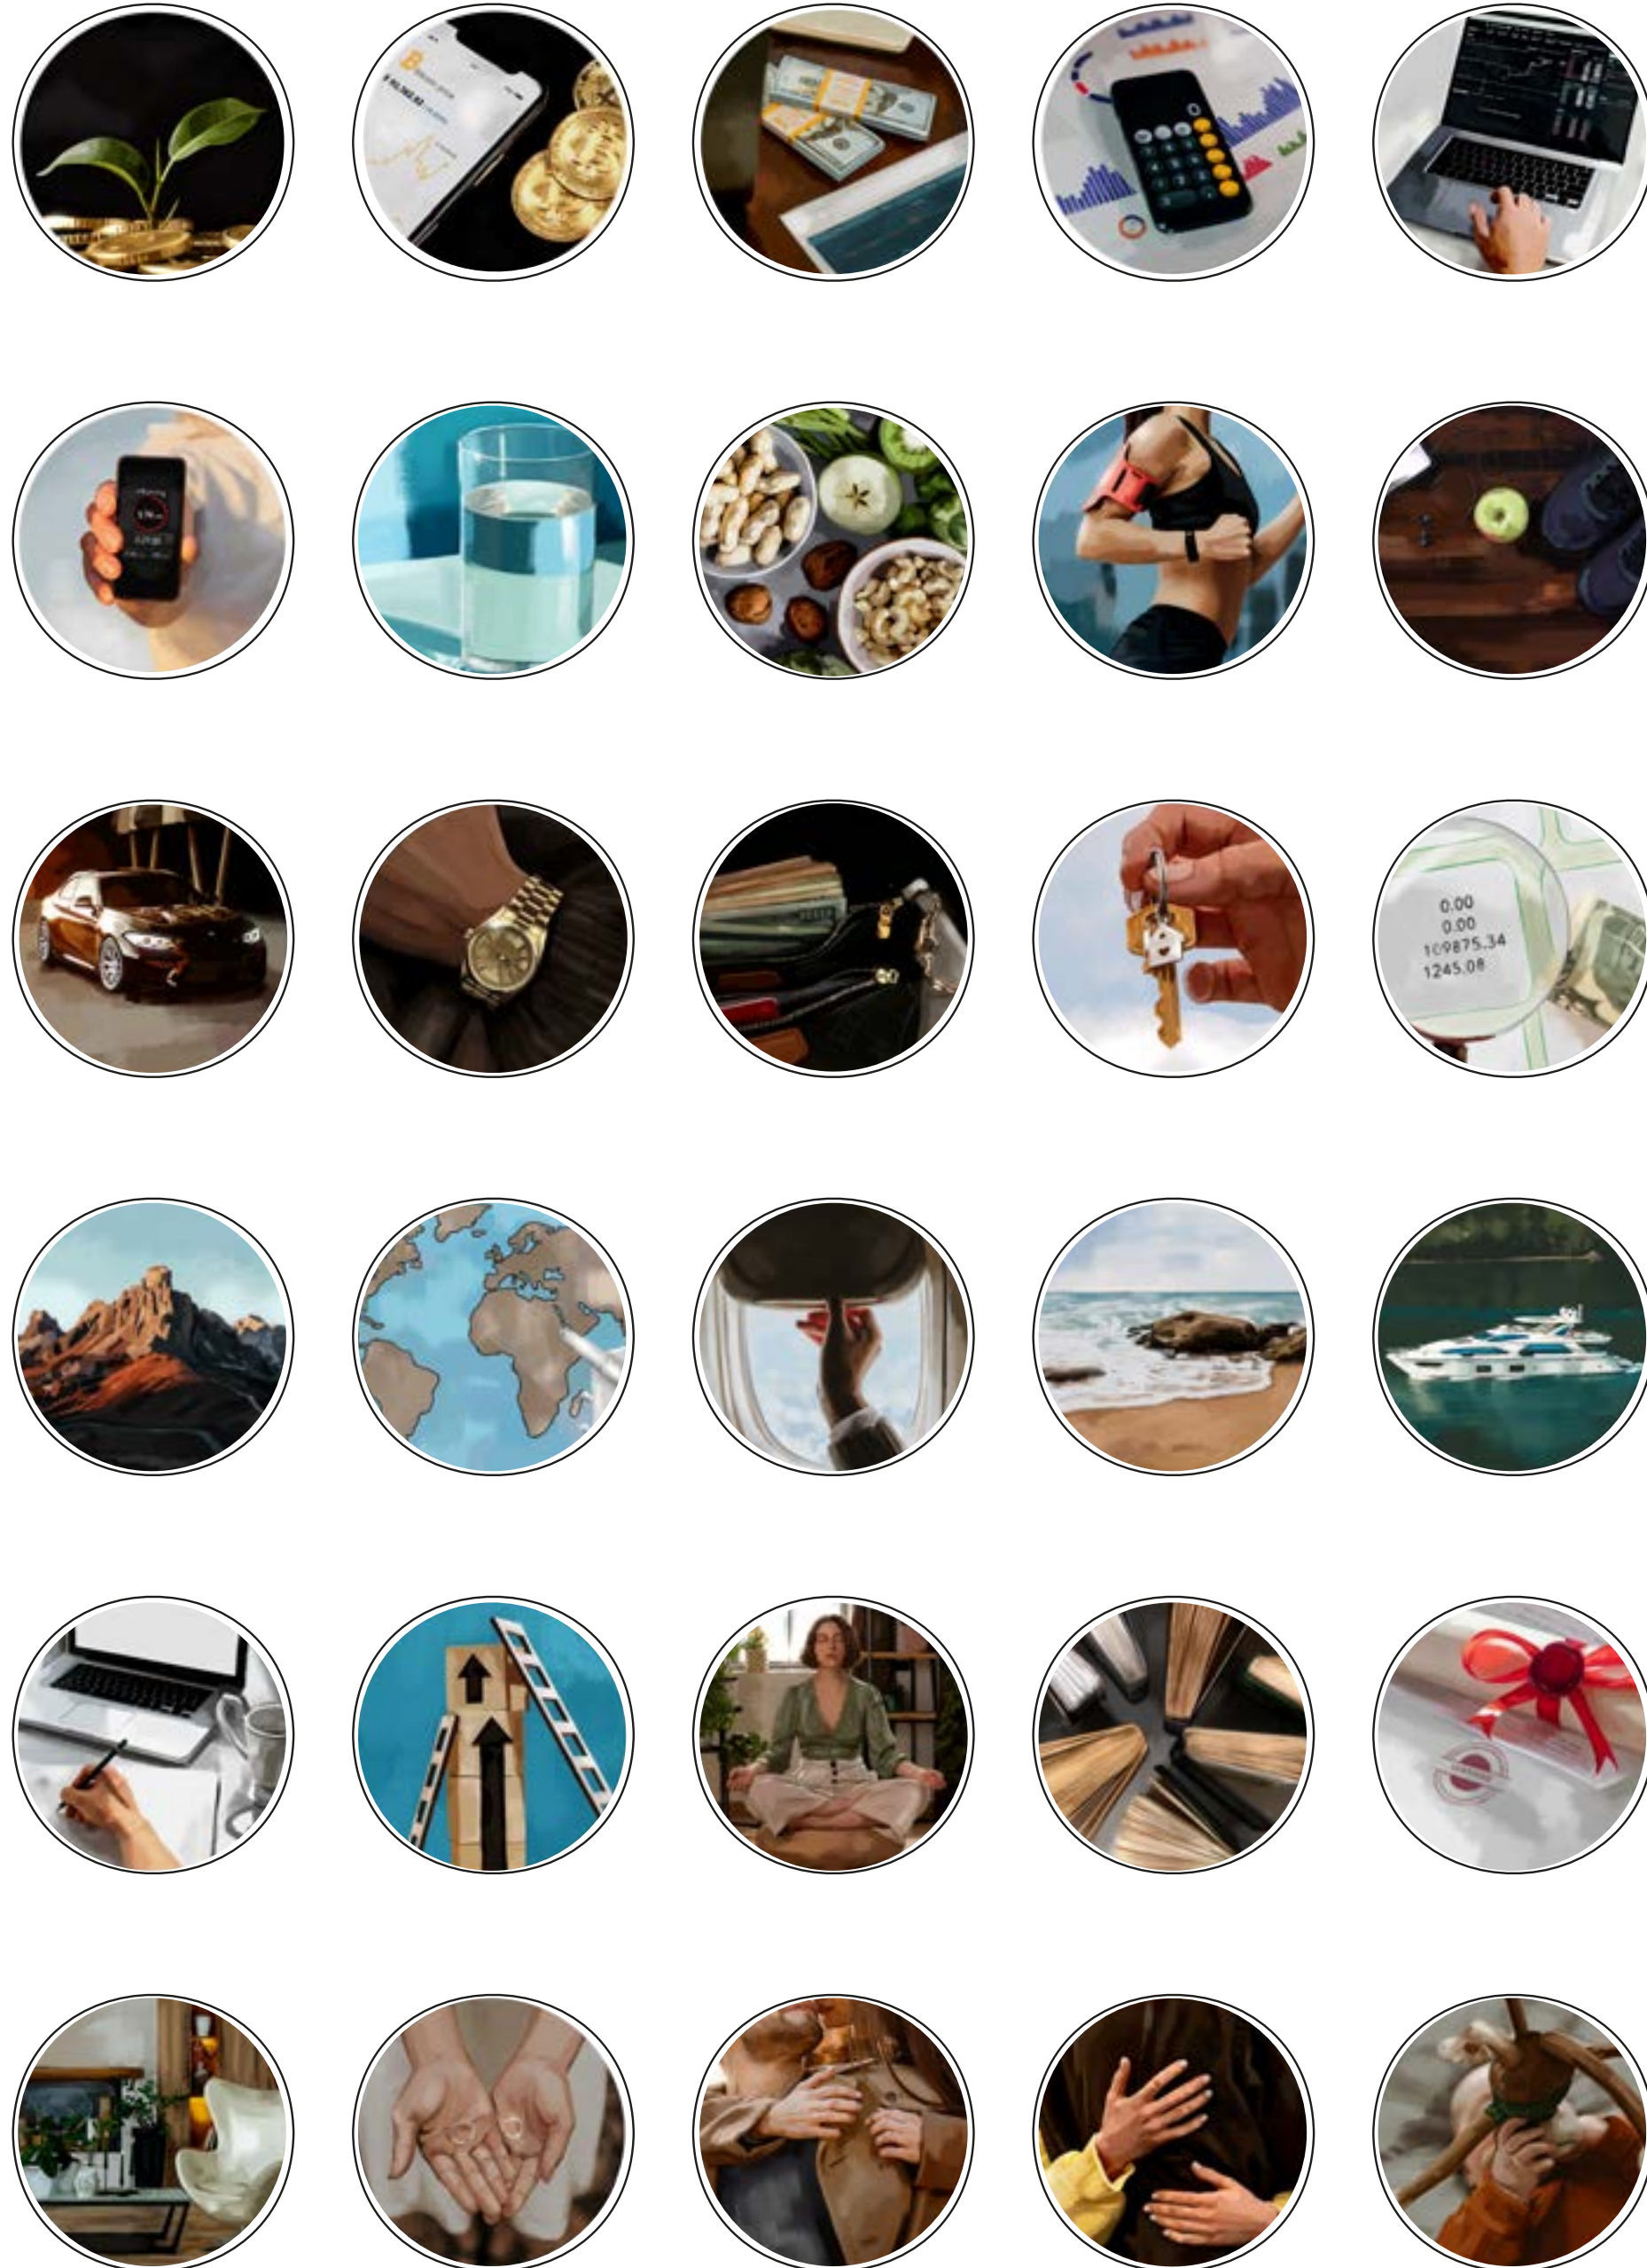

Designing a refined brand identity and packaging for a spaghetti line, capturing the warmth and authenticity of the product through minimalist visual storytelling

CHILLIGHETTI

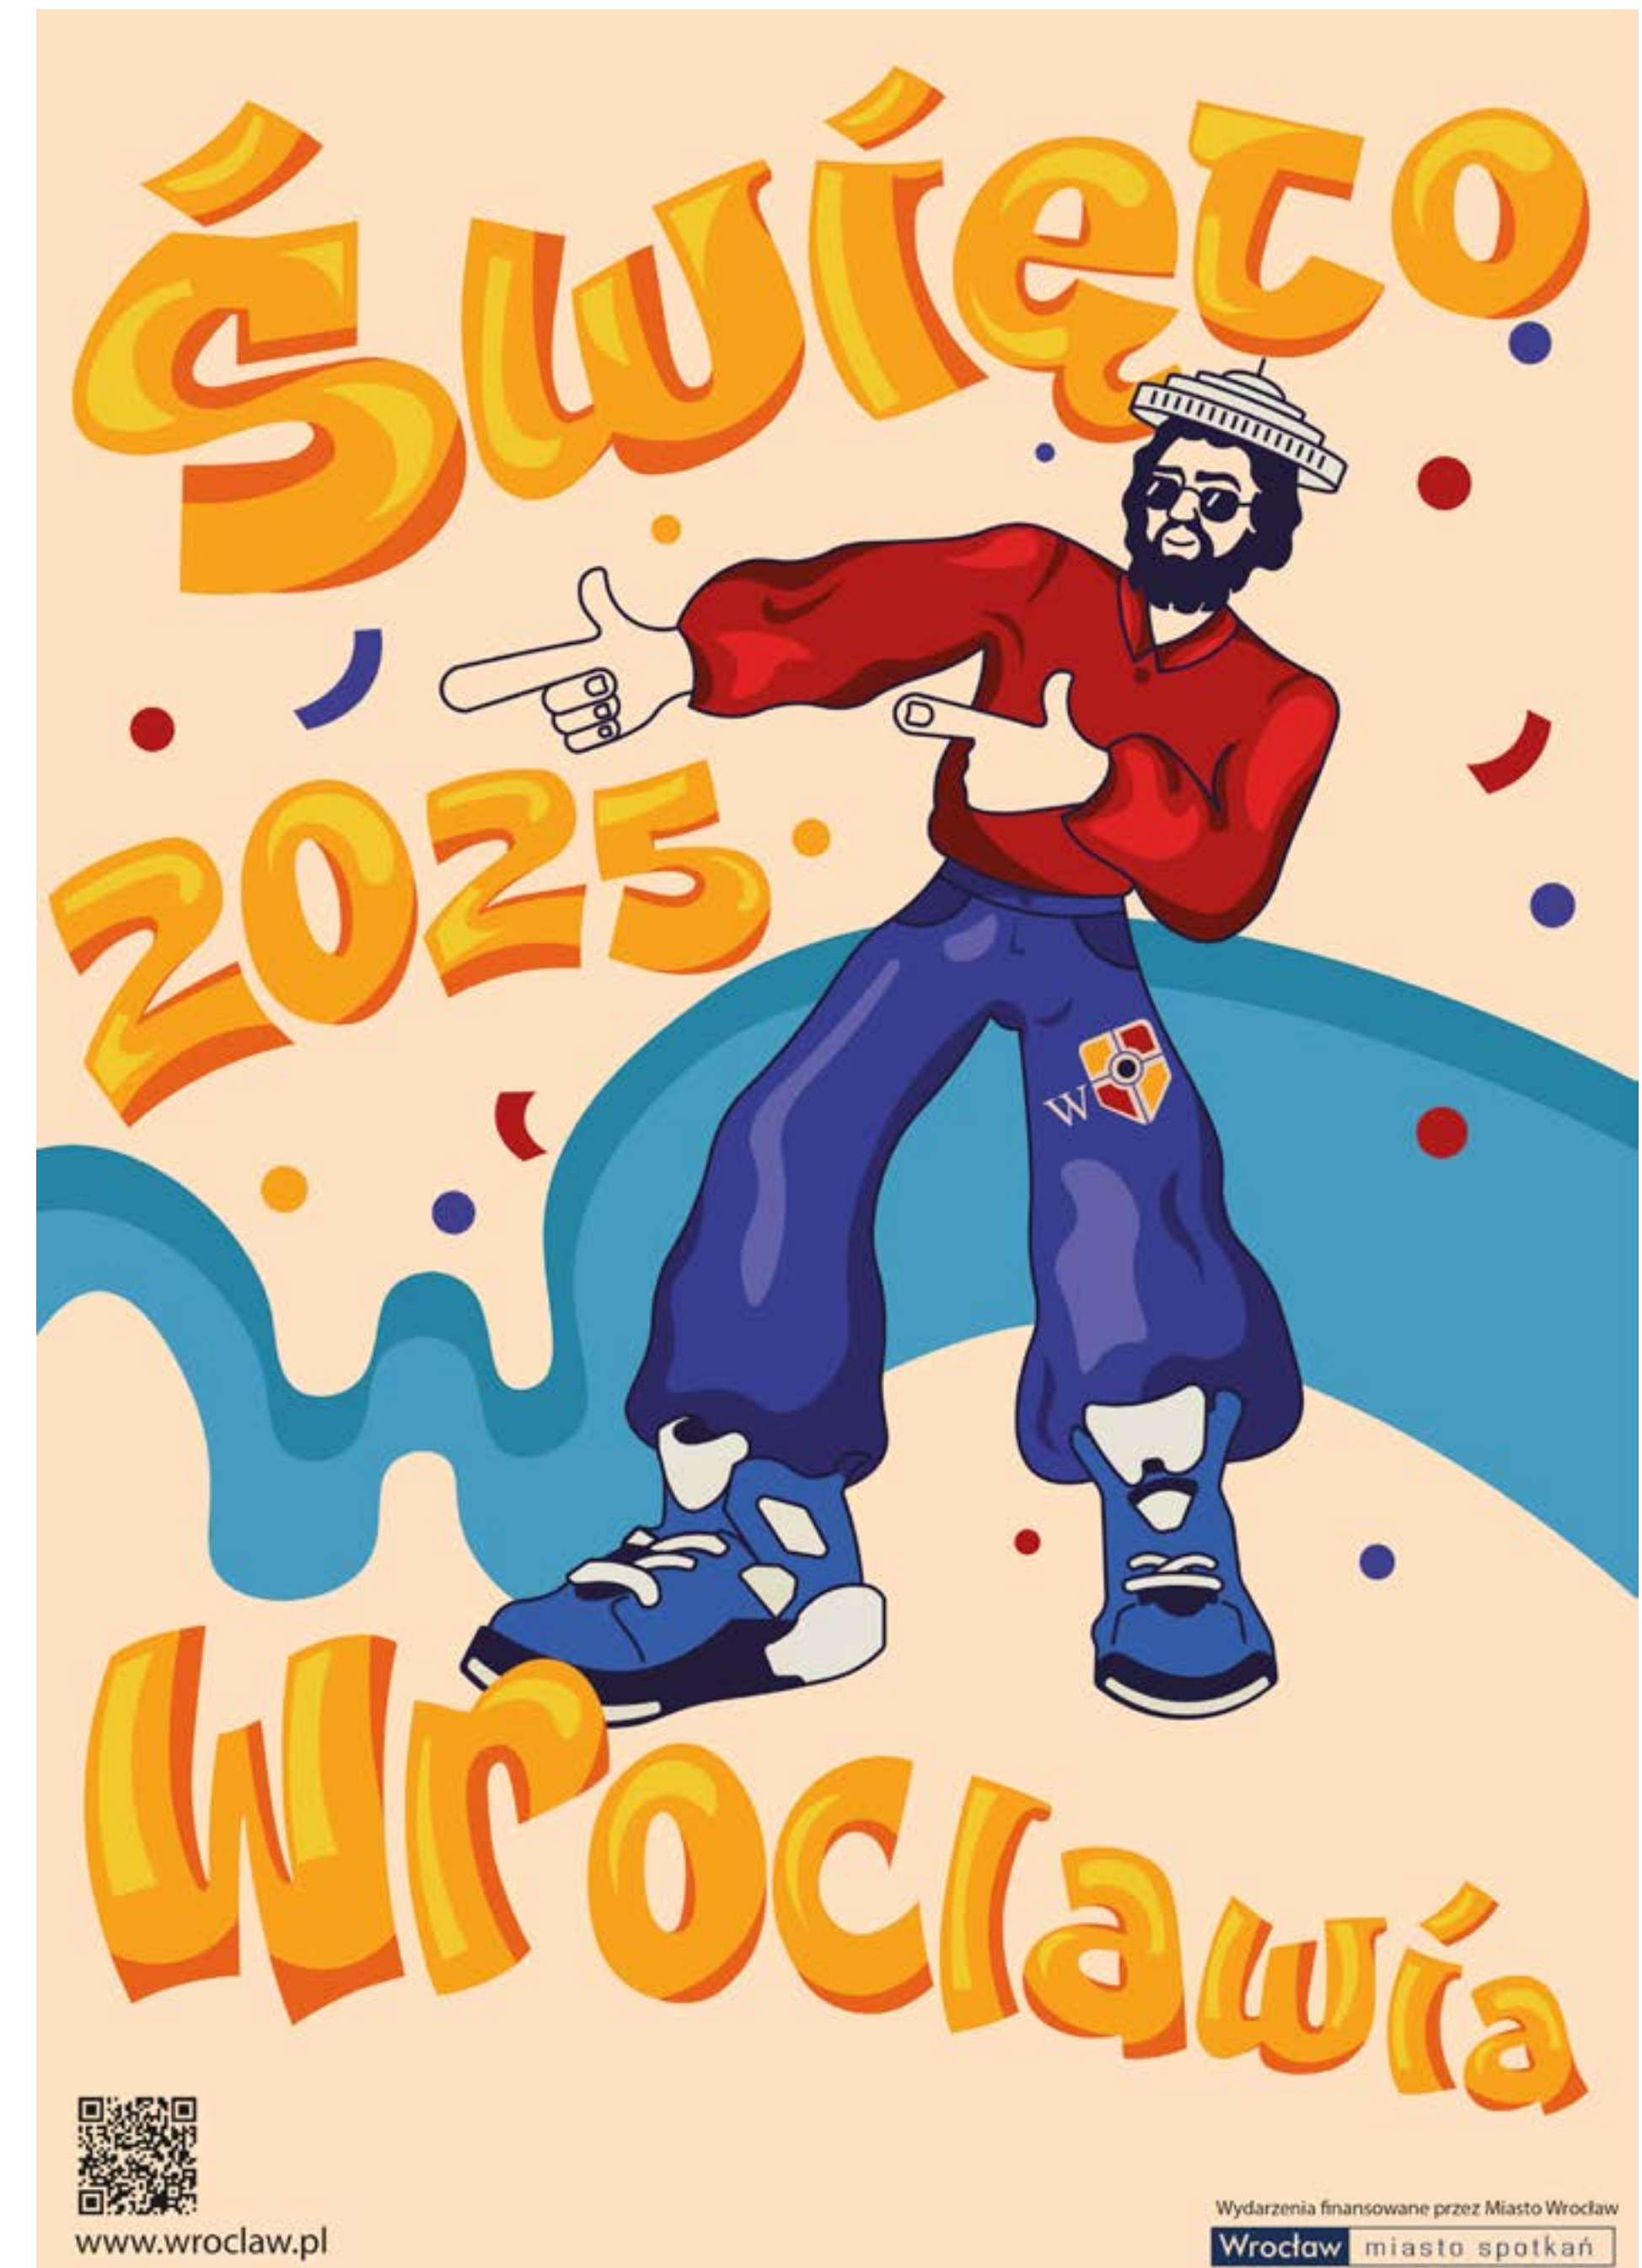

Minimalist, organic-
-style stickers designed
for creating vision
boards, helping
to organize ideas
and inspire creativity
in a calming,
aesthetic way

Developing a brand identity for an organic product line, including packaging design, logo creation, and a cohesive brand concept that reflects the company's natural values

designed a poster for one of Poland's largest holidays, which was selected by the jury as one of the best among the submissions. The poster features a modern pop art style with elements of caricature, bringing a playful yet bold visual energy to the celebration

Creating a new book cover that perfectly captures the story's essence and atmosphere, aligning visual design with the narrative to draw readers in

This artwork is part of a developing collection of intricate anti-stress coloring pages, thoughtfully designed to bring calm and creative focus through detailed linework

Logo and packaging design for a pizzeria.
The logo combines key elements of the restaurant's name, executed in a clean, understated style with a refined, minimal color palette

**PIZZERIA
ROMA**

Design of a double-sided A3 flyer:
One side features a Kyiv city
guide with pictograms and small
architectural
illustrations, while the other side
presents a poster that
aligns seamlessly with the theme

Design of a logo, business cards, and van decals for an ice cream business
