Ukrainian power plants are targeting all time

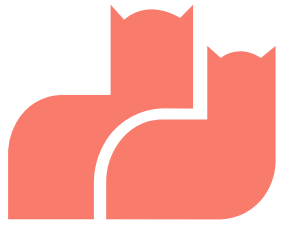

Lack of electricity caused great problem to cook food for our beloved animals

So...

I'm hungry

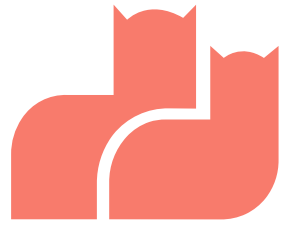

SOSanimals

We are caring about more than **2200 animals**

Daily food norm ~**1200 kg**

Our needs are **enormous** for us

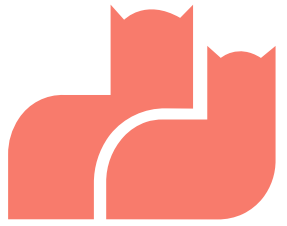

SOSanimals

It would be **hard** winter

We are almost **run out** of Dogs food now

4-5 month of **winter** means for us **180000 kg** of Dogs food

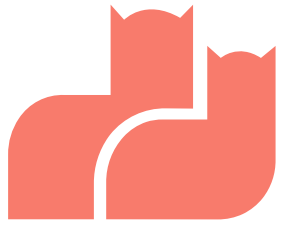

SOSanimals

We have **sick** animals
and **no** money...

This amount, 180000kg cost unmanageable
money for us in terms of War

I need special
feeding

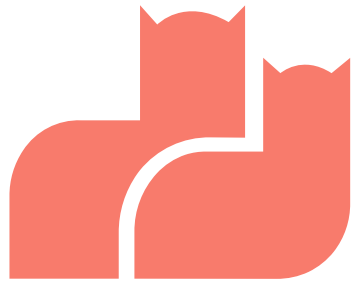

SOSanimals

Despite of help German manufacturing factory we badly need **medicine** for our pets
